

Registration 2018-2019 Season

Registration is open for the 2018-2019 season. Please read this page and follow the instructions for the online registration. The online registration system is open 24 hours a day, 7 days a week while registrations are accepted. Payment is made by cheque, money order or cash. Your registration is not submitted unless you "check out" from website.

Cheques are to be mailed to Mike Tullo 11634 Coll St. Kent Bridge ON N0P 1V0. If you require a different method of payment please email me to make arrangement.

For families with 3 or more FULL participants, there is a family discount. Please contact the registrar for cheque amounts before mailing anything to me.

Your cheques will be cashed on the day they are written for, to the best of our ability. There are 2 options for post-dating, you may use August 17th for a single payment, or our 3 payment plan June 15th, July 20th and August 17th.

Please note that registrations AFTER April 30th will LOSE the early registration discount of \$100.00.

Too avoid losing this discount, you just need to register your child/ren before April 30st. Payment are deferred the dates listed above.

Please note - skaters will not be allowed on the ice for tryouts unless they are registered and paid in full. This is due to insurance reasons.

The online registration process also provides an administrative advantage for the organization. The process automatically puts players into the Ontario Minor Hockey Association (OMHA) database which means the Representative and House League teams can be easily rostered.

**** One parent must complete the Parent Respect In Sport (RIS) Program prior to registering your child/children - this only needs to be done once NOT YEARLY****

Attention New players! Please send a copy of the player's birth certificate to the registrar. Either scan or take a clear photo and email it to michealtullo@yahoo.ca. Your registration is not complete until it is received.

If you were **previously registered for another organization**, please contact the Registrar, so that a transfer from your previous center can be initiated before registering online.

A transfer document will need to be completed and filed with SWMHA before the player will be allowed to participate on ice. A number of documents, listed on the form, will need to be provided to prove your move to a new center.
