DRESDEN KINSMEN CUP

U9, U11, U13, U15 & U18 TOURNAMENT

FEBRUARY 3rd, 2023 – FEBRUARY 5th, 2023

**Jr.
Kings
Dresden**

Welcome

On behalf of The Dresden Minor Hockey, I would like to extend a warm welcome to all participants, coaching staff and supporters to the Kinsman Cup. This year marks our 19th year or hosting this tournament thanks to the support from the Dresden Kinsmen, the Municipality of Chatham-Kent, Dresden Hockey Moms and the Dresden Minor Hockey Association Executive.

Our goal this year is to ensure the Players, Coaching Staff and Families leave our tournament having had fun playing this great sport and meeting new completion that they would normally not play in league play.

This year should be no exception; we have a weekend of great competition planned with the 40 House League and Local League teams representing 24 different organizations from all over Ontario. This year should be no exception; we have a weekend of great competition planned with the 40 House League and Local League teams representing 24 different organizations from all over Ontario.

I would like to thank the returning teams and the new teams for selecting our tournament this year; it is with your support that we can continue to run this tournament.

I wish the best of luck to all teams this weekend.

On behalf of Dresden Minor Hockey,

Tournament Divisions and Format

This tournament brings house league / local league players together for friendly competition.

This program outlines the Division Pools, Schedule, Rules, and Team Rosters. If you have any questions, please check with the Tournament Office.

U9 Division

The U9 Division consists of 2 pools comprised of 3 teams each. Each team will play the 3 teams from the other pool to seed themselves. Seeding will be based on the points system, whereas 1 point is awarded for winning a period, and 2 points are awarded for winning the game. Each game is worth 5 points in total with a bonus point being awarded for winning a game with a shutout.

Teams will be ranked after 3 round robin games. The top 4 team will advance to the semi-finals; with the 1st place team playing the 4th place team and the 2nd place team playing the 3rd place team. The winner of each semi final game will proceed to the Championship game.

U9 Participants

<i>Pool A</i>	<i>Pool B</i>
Dresden Jr. Kings White	East Lambton Eagles
Belmont Rangers	Southpoint Capitals Blue
Wallaceburg Lakers	Southpoint Capitals Red

U11, U13, U15 Divisions

There are 2 Pools of 4 team each for each of the divisions. Each team will play the 3 teams from their pool to seed themselves. Seeding will be based on the points system, whereas 1 point is awarded for winning a period, and 2 points are awarded for winning the game. Each game is worth 5 points in total with a bonus point being awarded for winning a game with a shutout.

Teams will be ranked within their pool after 3 round robin games with the 1st and 2nd place team from each pool proceeding to the semi finals. The 1st place team from one pool will play the 2nd place team from the other pool. The winner of each semi-final game will proceed to the Championship game.

Dresden Minor Hockey Association

Kinsmen Cup

Tournament Rules

- 1) All players must be house league / local league players and must play for their own team.
- 2) **All teams are to provide their OMHA approved roster for review by the tournament executive prior to their 1st game. If any team fails to supply this information, that team may forfeit each game until the proper paper work is supplied.**
- 3) Teams are to be ready to play 15 minutes prior to their scheduled game start time, or will be in jeopardy of a forfeit of the game. There is minimal flexibility to reschedule games due to weather, and will be at the discretion of the tournament committee. If a forfeit is the decision of the committee, it will result in a score of 5-0, and the winning team will acquire all 6 points.
- 4) All games will be played under OMHA rules.
- 5) Games consist of 3-10 minute stop time periods. There is no overtime in round robin play. The CHAMPIONSHIP games will consist of 2-10 minute & 1-15 minute periods. If the goal differential becomes greater than or equal to 5 goals (e.g. 5-0 or 6-1) in the 3rd period, the game time will be run time. If the goal differential is reduced to 3 goals (e.g. 5-2), the game will return to stop time.

Penalties accumulated during run time will be 3 minutes for a minor penalty, and 8 minutes for a major penalty. The only time the clock will be stopped during run time is for an on-ice injury, or at the discretion of the referee.

- 6) Round robin play is by the point system:
- 1 point for winning a period
 - ½ point for tying a period
 - 2 points for winning a game
 - 1 point for tying a game
 - Bonus point (1) for a shutout win
- 7) If there is a tie in the round robin, the tie breakers are in the following order:
- 1 – head to head (points in their game)
 - 2 – team with the most wins
 - 3 – goal average of a team determined by total number of goals for divided by (total number of goals for plus total number of goals against)
 - 4 – goals against
 - 5 – goals for
 - 6 – lowest penalty minutes
 - 7 – flip of a coin

If 3 teams are tied, only the points accumulated between the tied teams will be considered in the first tie breaker. If any step in the tie breaker only seeds one team, that team assumes that position. The tie breaker method will continue to the next step to determine the tie breaker between the remaining two teams.

- 8) **OVERTIME:** only occurs in the semi-finals and the finals. There will be a 5 minute sudden victory overtime period. Each team will play with 3 players plus a goalie. Games that are still tied after three 5-minute overtime periods, will revert to a shootout. The shootout will consist of 3 different players per team. Each team will alternate shooting, beginning with the home team. If the shootout is tied after the first round, subsequent rounds of the shootout will consist of one player per team until a winner is determined. A player will not be permitted to shoot a 2nd time in the shootout until all of the players have participated in the shootout.

- 9) Overtime penalties: If a penalty occurs during the overtime, the penalized team does NOT lose a player but the opposing team ADDS a player. When the penalty is over, the penalized player joins the play until there is a stoppage of play at which time both teams take a player off. There will be no changes at any stoppage of play. Changes must be on the fly.
- 10) One 30 second timeout per team is permitted in the Championship games only.
- 11) All protest must be submitted to the tournament committee 15 minutes following the game. The tournament committee ruling is final.
- 12) Only players and coaching staff will be allowed near the player's bench and dressing room. **No Parents Will Be Allowed In This Area.**
